Approved For Release 2003/09/31 CA-FDM7 B00380R000200050076-6

	Journal - Office of Legislative Counsel Friday - 7 September 1973	Page 3	
5X1	7. GLC) Guy McConnell, on the sta Senate Appropriations Committee, called to say that Chairn has decided to defer an Agency intelligence briefing for the McConnell said if the Chairman decides on such a briefing before the 16th of September. I have notified Director's office.	nan McClellan time being.	
5X1 25X1A	Affairs Committee staff, and scheduled a meeting for Tuesday, 10:30 a.m., in Brady's office for and myself to debrief him on the Wolff, Rangel, Abzug, Stark, Addabbo, and Murphy narcotics Far East survey trip. Brady gave me a copy of the press release given out this afternoon by Representative Wolff. He told me off-the-record that the release was prepared by Wolff's office with no coordination with him or some of the other members of the delegation. During the press conference Wolff and others inferred a certain lack of cooperation or lack of information in the various missions in their dealings with the delegation. Representative Rangel, in what was described as an attempt at humor, quipped that there is more evidence of CIA involvement in narcotics traffic than there is involvement of the PRC.		
25X1A 5X1	Subcommittee on Foreign Operations and Government Informations Committee, in response to his let 24 August 1973 concerning Agency public affairs activities. concerned that the continuing publicity concerning Angus Methe Agency's "public information officer." At Phillips' rejoined by Norman Cornish, Deputy Staff Director, and Jim Counsel. I described in general terms the functions of the Director and was able to distinguish them to the satisfaction representatives that that office does not equate to what is as public affairs activities. No further action is required. for the Record. Mr. Cornish took the occasion to mention that the Cornight to the Cornish took the occasion to mention that the Cornight to the Cornight took the occasion to mention that the Cornight to the Cornight to the Cornight took the occasion to mention that the Cornight to the Cornight	mmittee on Foreign Operations and Government Information, House nment Operations Committee, in response to his letter to me of gust 1973 concerning Agency public affairs activities. Phillips was rned that the continuing publicity concerning Angus MacLean Thuermer, gency's "public information officer." At Phillips' request, we were by Norman Cornish, Deputy Staff Director, and Jim Kronfeld, Staff sel. I described in general terms the functions of the Assistant to the tor and was able to distinguish them to the satisfaction of the Committee sentatives that that office does not equate to what is normally described blic affairs activities. No further action is required. See Memorandum	

schedule on this matter starts to take shape.

psychological stress evaluators. He will call me as soon as the Subcommittee
